Over £1000 has been spent from school fund on purchasing books from Reception to Year 6. This means that every class will have a different author to read each half term. Nursery will be next on the list to receive this funding too!

This week we noticed that there were a lot of children arriving late to school. Please make sure the children are here at 8:50am so they can start their learning with the rest of the class. **Arriving after 9:10 means they are missing out on vital parts of their education.** Can you also try and make optician and dental appointments for after school hours.
