We would like to congratulate the school football team on their amazing achievement of winning the qualifying round of the Manchester United tournament. The boys competed against 5 other schools winning 3, drawing 2 and winning the final 2-1. This means the boys will now compete in the grand final in March for a chance to represent Manchester United in the national finals. Mr Aykroyd and Mr Garvey are extremely proud of the boy's hard work and determination to succeed. Well done!!
