Fraya D Team 3  
Angela Team 3  
Mario Team 4  
Aaron Team 8  
Glory Team 9  
Dellon Team 9

## In the News This Week!

On Tuesday we had a very exciting and special visitor come into our school. The Lord Mayor came to Charlestown to give a motivational talk to our year six children. With a very important few weeks ahead of the year 6 children, it was very valuable for them to be able to find out about his amazing journey and ask him questions about his life. The Lord Mayor had lunch with the rest of the school, which was very exciting!

Team 10 went to the MCMA to take part in a science master class! It was lots of fun conducting lots of different experiments to see if different materials were reversible or irreversible! We were also complimented on our brilliant behaviour and team work!

Well done team 10!

Congratulations to our school netball team on their performance at the MCMA this week. Well done!

Also, congratulations to our girl's football team on their amazing season this year. After months of training and hard work they finished 7<sup>th</sup> in the league out of a possible 12. Well done!

### Fidget Spinners

As from Tuesday 2<sup>nd</sup> May, fidget spinners (as shown below) will not be allowed to be brought into school. We understand that some children need a fidget toy to help them concentrate and school have and will continue to, provided these children with an appropriate 'toy'. Thank you for your co-operation in this matter.
