## Year 6 - The Victorian Years

Year 6 have got off to a flying (and a rather strict) start this year with their teachers Mrs Haigh and Mr Armstrong, showing what it would have been like to live in Victorian times.

Later in the week, Year 6 visited Quarry Bank Mill. Although it was raining, they did not let that ruin the day as they walked around the mill and met a rather strict apprentice house manager. The children learnt about what it would be like as an apprentice including; medical checks, 12 hour shifts, sleeping arrangements, meals, chores, making their own clothes and education.

## Welcome Back!

We're already a week and a half into the new term and the days are flying by so quickly!

We'd like to welcome 3 new teachers to Charlestown this year. Miss Pether in Reception 1, Miss Capstick in Team 6 and Miss Colom in Team 10. They've already been some fantastic work with the children and it's great to have them as part of the team.

We'd also like to welcome our new starters in Nursery. They have been very brave coming into school every day and are making lots of new friends and getting stuck in.

## REMINDER!

**The weather has taken a turn for the worse, please make sure your child has a warm, waterproof coat with a hood for school every day.**
