Mariam D Team 2

Shelby D Team 3

Nathan W Team 4

Ellie D Team 8

Jessica M Team 7

Sophie Mc Team 12

Parent Questionnaire Feedback

We were delighted with the positive feedback you gave us on the last parent questionnaire. Here is what some of you told us.

Charlestown is one of the best in the area and I recommend it to people who are new to the community.

What a truly friendly and committed school!

Really happy with excellent progress my child has made.

School staff are very supportive and I really appreciate their efforts.

My child has come on leaps and bounds with their confidence.

Staff are approachable, supportive and clearly passionate about learning.

We also understand that sometimes we don't get things quite right and that is why we are listening to what parents are telling us and showing you that we are doing something about your requests. Look out for 'You Said-We Did' in future newsletters. The first request we have acted on is - 'Parent group to voice opinion and discuss what happens in school.' Letters have gone out asking who would be interested in this. Please see below for more information. If you have missed the letter but would like to show an interest, please let your child's class teacher know.

Calling all Parents and Carers

We Need Your Help!

At Charlestown we try very hard to include parents in school life. Classes regularly invite you in for different activities in their classrooms and to have a look at how your children are doing. We still feel we can do more and would love the opportunity to involve parents/carers in events and workshops in the school. It would be great to have parent/carers to volunteer for our parent group.

This would involve:

- Helping to organise events in school.
- Discussing ideas and feedback from parents/carers about school life.
- Developing workshops that you will find helpful.

We hope to have one parent per class at the meetings and will also be looking for people to help with events too.
