Early Years Benefits From

Project

A massive thank you to the **serco** volunteers who spent their own time in the half term holidays transforming our EYFS outdoor area. We are so lucky to have been able to benefit from this amazing project which will make a massive difference to the skills and learning that the children will develop in the outdoor

area. We also couldn't have done it without the generosity of **deanwaydiy** in **Moston** who very kindly donated the resources.

Donations of household items are now needed to enhance our mud kitchen. Plastic cups, baking tins, plastic bottles, kitchen utensils etc. would be greatly appreciated.

We look forward to working with parents and carers in our outdoor area very soon.
