School Fund 2016 -2017

A big thanks to parents, carers and pupils for your support with our school events which raise money for the school fund.

In 2016 – 2017 the school fund accounts were audited and we would like to report that the total spend was £8651 and total income was £8874.

School fund was used over this period to support the breakfast club, funds raised from the school summer paid for outdoor equipment for the pupils.

We also used school fund to pay for school trips and theatre productions, a class outing for years 9 & 10 and a theatre show for early years.

We also school fund used for the year 6 presentation evening and the annual Christmas present of books for all pupils along with supporting the annual Christmas panto or magic show.

So again thank you!

Mrs. Bailey
(School Business Manager)
