Ready for a party

Design some paper bunting to decorate your house on Friday.

Create your own VE day celebration for your family.

What decorations will you include? Will you want them to learn something? What food will you want to eat? What will you wear?

Recipes

Can you work with an adult to follow a recipe? Maybe you could bake a cake to help celebrate VE day? Remember to look closely at the amounts and weigh them carefully!

Have a 'kick about!'

DURING WW2 FOOTBALL WAS AN IMPORTANT FORM OF RECREATION FOR SOLDIERS IN BRITAIN. Male troops would play football for fun and during the war most large factories ran Women's football teams.

You could kick a ball in your garden or practice your skills inside with something soft like rolled up socks or a good ol' toilet roll!

This photograph, dating from 1944, shows goalkeeper Betty Stanhope, representing Fairey Aviation Company, during a match against A V Roe, another local aircraft factory. The Fairey team won the match six nil.

Is there more happiness or more sadness in the world?

Cut the bunting out.
Fold the flap along the dotted line, onto the back. Place a long length of string under the flap and glue down. Repeat along the string so you make a string of bunting.

This Friday marks the 75th Anniversary of the end of World War 2 so this week all your activities are themed around VE day!
Victory in Europe!
