

All about Africa

Africa is a continent which is bigger than the United States of America, Canada and India put together. Africa is home to 54 countries and more than one billion people. In Northern Africa, you can trek through the Sahara desert; it is the largest and driest hot desert in the world. You can also visit the world's longest river, The Nile. Millions of people visit Africa on holiday to see its famous pyramids and go on animal safaris. In Africa, you will find some of the largest mammals on the planet. Among them are the elephant, the giraffe and the world's fastest land mammal, the cheetah.
