

Geography Challenge

Watch the video all about Evangeline's life in Kenya. When you are watching, think carefully about how your lives are similar, and how they are different. Then, complete one of the following challenges.

Remember to 'challenge' yourself—don't just pick the first one you see!

Task 1: Take a look at the picture cards. Do they belong to the column: child in Kenya, or the column: child in the UK? Write them in the correct boxes.

Task 2: Watch the video. What is similar to the UK? What is different? Write your ideas in the correct columns on the table.

Task 3: Pretend you are on holiday and staying with Evangeline. Write a postcard home about your day. What happens? Is it the same or different to your life back in England?
