

Charlestown Community Primary School

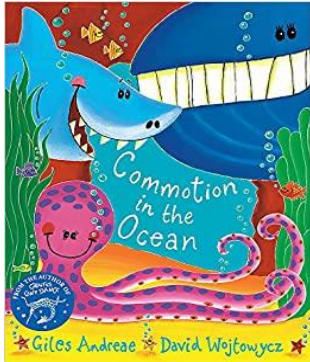

Home Learning Grid - Year 1

You do not need to print off any of the challenges. You can complete them on a piece of paper and take a picture of your work to upload it to Twitter or Facebook.

| Year 1 | English | Phonics | Maths | Wider Curriculum | Well Being |
|---|---|--|--|--|---|
| Week 7 Amazing Animals | <p>Reading</p> <p>Listen to a range of fiction stories about animals.</p>  <p>Writing</p> <p>After listening to the texts. Write a list of all the animals you know.</p> <p>Can you do this in alphabetical order?</p> <p>Are there any letters that are more popular than others?</p>  | <p>Phase 4</p> <p>Play tricky word bingo.</p> <p>Write five of the tricky words from the Phase 4 word mat.</p> <p>Have another person call out a word from the Phase 4 word mat.</p> <p>Tick off the words when they have been called out.</p>  <p>Phase 5</p> <p>Use the tricky words in a sentence.</p> <p>Mr and Mrs Brown like to bounce on the trampoline.</p>  | <p>Read and write numbers from 1 to 20 in numerals and words.</p> <p>Create your own flashcards. Write down the numeral on one card and the number as a word on another. Match the numeral to the word.</p>  <p>Use objects and pictures to show numbers from 1-100.</p>  <p><u>Representing two digit numbers.</u></p> | <p>Science</p> <p>Take a look at the animals. Talk about their similarities and differences.</p>  <p>Geography</p> <p>Which animals can be found in each of the continents and oceans?</p> <p>Watch the videos to find out more and carry out your own research.</p> <p><u>Habitats and the environment</u></p> <p><u>Animals and Continents</u></p> <p><u>Animals around the world</u></p> | <p>With an adult; go for a walk around your local area or your local parks.</p> <p>What animals can you see?</p> <p>Do you think you will see a whale or a shark?</p> <p>Use the list of animals as a guide to help you.</p> <p>You might see many more that are not listed.</p>   |

Reading

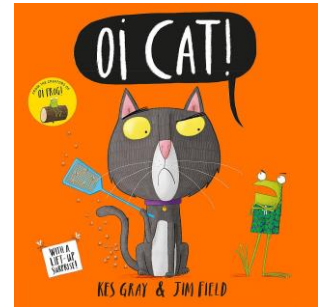

Animal Stories

Oi Frog!

Oi Cat!

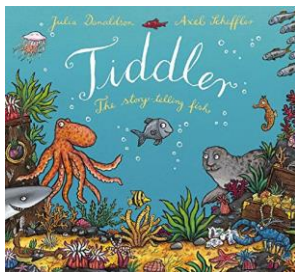

Oi Dog!

Oi Duck-billed Platypus!

Commotion in the Ocean

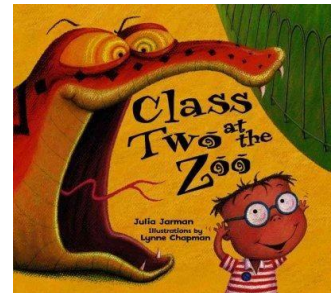

Polar Bear, Polar Bear, What Do You Hear?

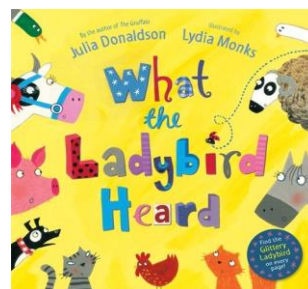

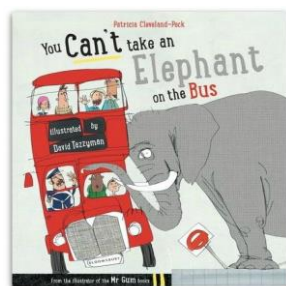

Tiddler the Story Telling Fish

Class Two at the Zoo

What the Ladybird Heard

You can't take an Elephant on the Bus

Writing

Use the books in the reading section to help you think of a wide range of animals.

Think of different habitats and animals around the world.

Write a list of all the animals you know in alphabetical order.

You could create a dictionary of animal names or write the alphabet, then list the animals under each letter.

Are there any initial letters that are more popular than others?

When you have thought of all the animals you can; then use books you have at home or the word mats to add more animals to your alphabet.

Maths

Read and write numbers from 0 to 20 in numerals and words.

| Numeral | Number as a word |
|---------|------------------|
| 0 | Zero |
| 1 | One |

My numbers and words strip 

| | | | | | | | | | | |
|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|
| 0 | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |
| zero | one | two | three | four | five | six | seven | eight | nine | ten |
| 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 | |
| eleven | twelve | thirteen | fourteen | fifteen | sixteen | seventeen | eighteen | nineteen | twenty | |

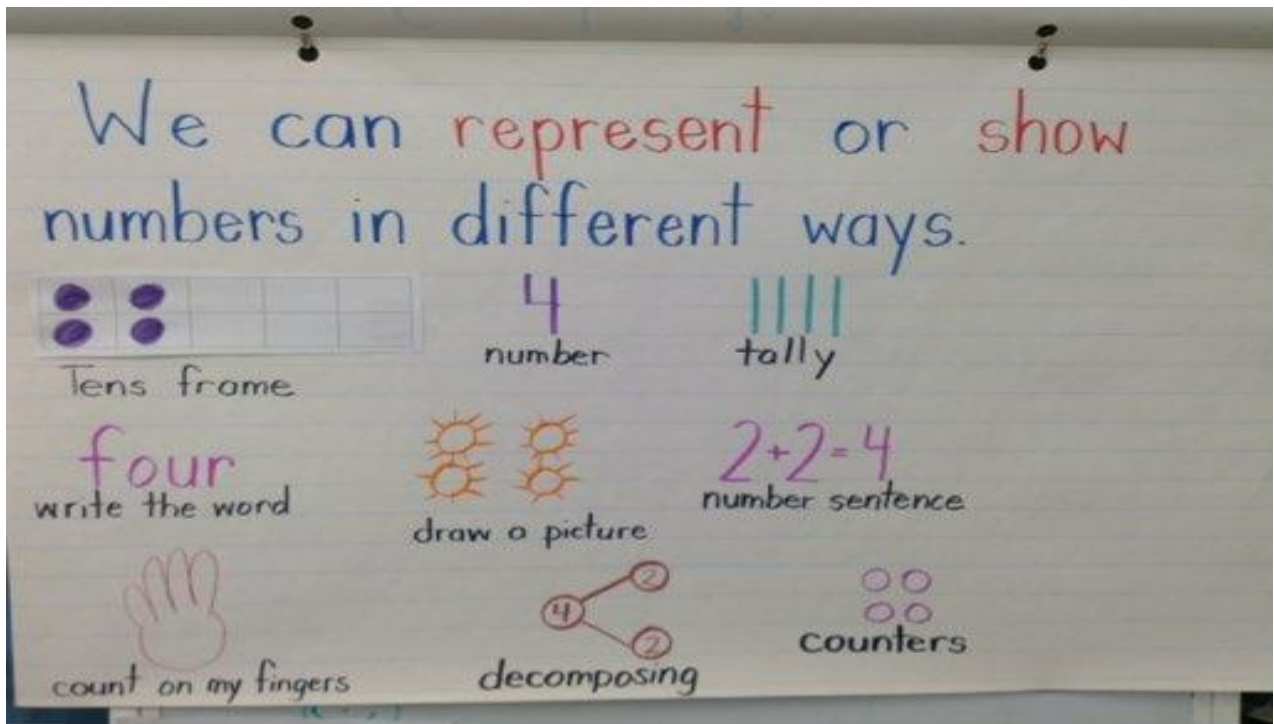

20

twenty

Maths

Representing numbers in different ways.

Red group – Numbers 1-20

All other groups – Numbers 1-100

Choose 4 numbers.

Create those numbers in different ways.

Which number has the most tens?

Which number has more ones than tens?

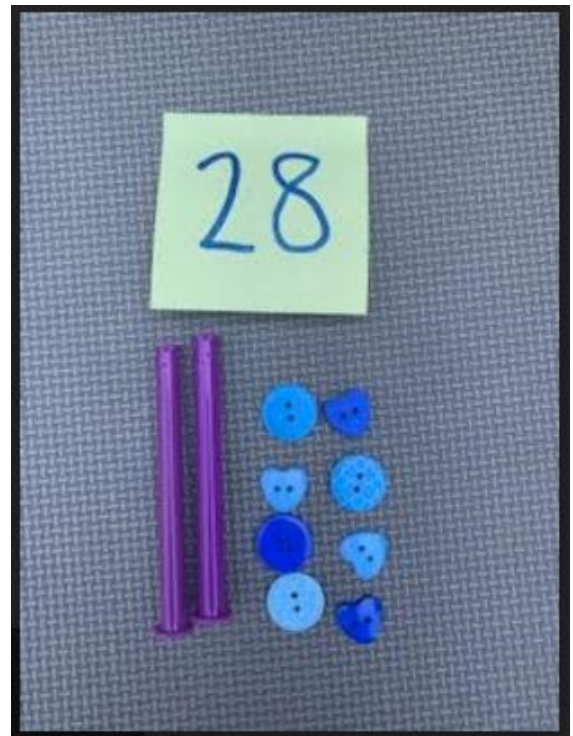

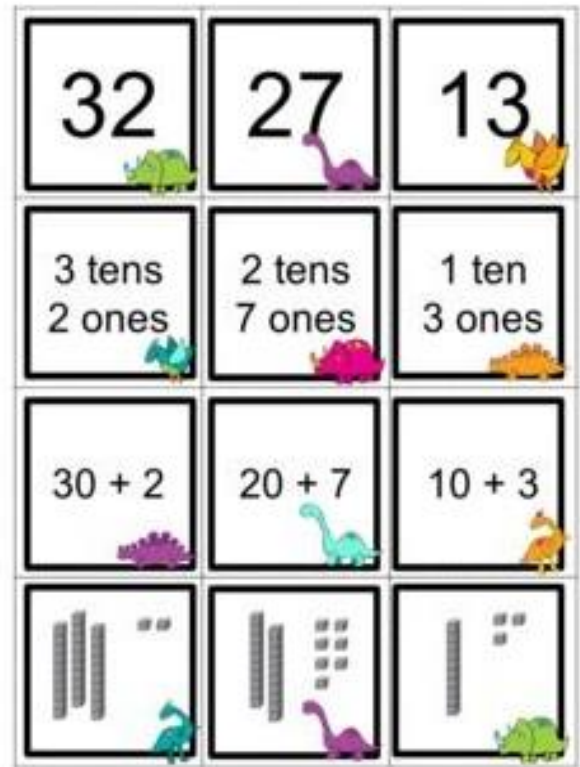

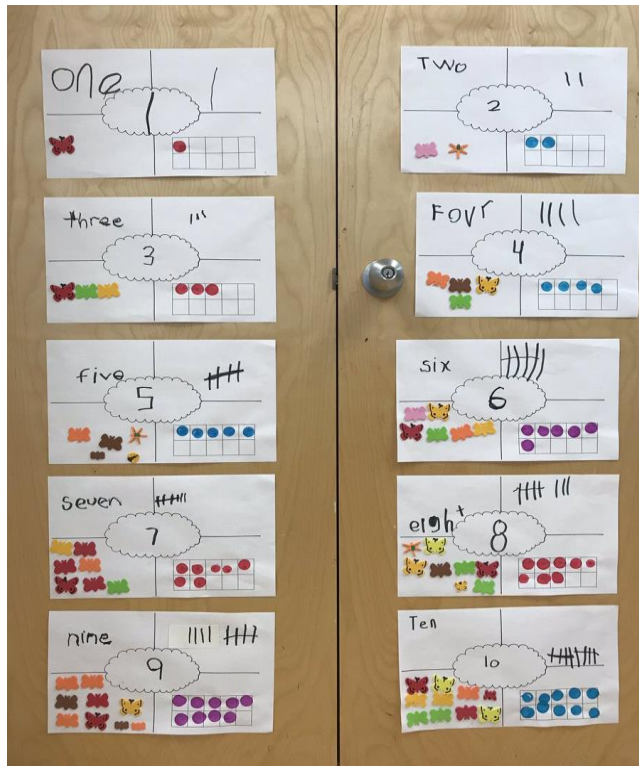

Which number has the greatest value?

Are there any similarities with the numbers you have chosen?

54 and 57 both have five tens.

Maths

Watch the video to help you - [Representing two digit numbers.](#)

Science

Look at the animals and discuss their similarities and differences. Use the vocabulary attached to help you.

goldfish

whale

snake

butterfly
