

Task 1- Complete this task if you work with Mrs Barker or Mrs Seagrave in maths.

Yeovil is an inland town in the south of England.

### **Yeovil's Weather During January**

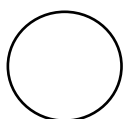

The number of days when:

- It was sunny = 2
- It was very windy = 1
- There was hail = 2
- There was snow = 3
- There was light rain = 7
- There was heavy rain = 6

Look at the information and record it in the pictogram below. Then use the pictogram to answer the questions.

### **Pictogram of Yeovil's Weather During January**

Sunshine	
Strong Winds	
Hail	
Snow	
Light Rain	
Heavy Rain	

 = 1 day

Which was the most common weather type? \_\_\_\_\_

Which was the least common weather type? \_\_\_\_\_

On how many days was there hail? \_\_\_\_\_

On how many days was there heavy rain? \_\_\_\_\_

## Task 2

Yeovil is an inland town in the south of England.

### Yeovil's Weather During January

The number of days when:

- It was sunny = 2
- It was very windy = 1
- There was hail = 2
- There was snow = 3
- There was light rain = 7
- There was heavy rain = 6

Look at the information and record it in the pictogram below. Then use the pictogram to answer the questions.

### Pictogram of Yeovil's Weather During January

○ = 2 days

Which was the most common weather type? \_\_\_\_\_

Which was the least common weather type? \_\_\_\_\_

On how many days was there light rain than snow? \_\_\_\_\_

On how many fewer days was there sun than heavy rain? \_\_\_\_\_

**Task 3- Complete this task if you fancy a challenge!**

Yeovil is an inland town and Torquay is a coastal town in the south of England.

**Yeovil's Weather in January**

The number of days when:

It was sunny = 2

It was very windy = 1

There was hail = 2

There was snow = 3

There was light rain = 7

There was heavy rain = 6

**Torquay's Weather in January**

The number of days when:

It was sunny = 7

It was very windy = 10

There was hail = 1

There was snow = 0

There was light rain = 4

There was heavy rain = 2

Use the information to complete the pictogram. Then answer the questions below.

**Yeovil's Weather:**

**Torquay's Weather:**

○ = 2 days

On how many more days was there sun in Torquay than Yeovil? \_\_\_\_\_

On how many days was there rain in Yeovil? \_\_\_\_\_

On how many fewer days was there wind in Yeovil than Torquay? \_\_\_\_\_

Write a sentence about the differences in the weather in Yeovil and Torquay
