Friday 19th February 2021

Dear parents and carers

I hope you are all safe and well.

We will reopen to children of key workers and those that have been specifically invited only on Monday morning at 8.45am. All other children should remain at home and log on to the live learning sessions and the seesaw activities each day. If you are having problems accessing learning, please contact the office on Monday morning from 8.30am. As soon as I know of any information regarding wider opening, I will let you know.

Please can I encourage all parents dropping children into school to wear face coverings around the school site. Whilst there is mixed opinion on the effectiveness of mask wearing, I would hope that we could work together to try every little thing we possibly can to get back to some kind of normality. I would also like to remind families to walk in separately please – keeping a social distance of 2m at all times. Only those in the same household should be walking together. This also applies when waiting outside the classrooms. Please keep your distance.

If you are struggling in any way – be that with your mental or physical health, food or bills, please talk to us as we can help. We have food parcels in school and we have contacts to other services who can help. Please contact Caroline Morrison on morrison@charlestown.manchester.sch.uk for more information or call the office on the number above on Monday morning. In the meantime, if you need help and support, please refer to the previous letter sent out which contains contact details of various support services.

If you have any questions, as always, please email me at head@charlestown.manchester.sch.uk.

Yours sincerely

Allison Collis
Headteacher
