Mr Allen and some of our KS2 children have been exploring the wildlife in our nature area.

They have been very busy preparing our raised planters so they are ready for us to plant fruit and vegetables. This is part of a long-term plan to make the area a more usable environment for the children to learn in. Great job guys!

Home reading books

It is that time of year where we begin to collect in the school reading books. Please have a good look in your car, the living room, kitchen and even under the beds. Some children may have multiple school reading books at home. All books should be returned to the class teacher by **Monday 15th July** please. Then we have the massive job of tidying and organising them ready for September .

SCHOOL UNIFORM

Please ensure that your child/ren are still wearing appropriate uniform. At this time of year we are seeing some non-uniform items being worn. Children have informed us that they have been told they can wear what they like. Lets ensure we are still following the uniform expectations please. **Also**, if you have any uniform that is still in good condition please send in clean donations to us as we will be hosting a uniform swap shop in the last week of term. Details to follow.

Transition Week

This week your child/ren have spent two mornings getting to know their new class teacher and TA. There has been such a positive and exciting atmosphere in school.
