Friday 13th May 2022

On Friday 27th May we will be spending the day having a whole school Jubilee party – an idea generated through the parent coffee morning group. Throughout the day, children will participate in a host of fun activities and games to celebrate this historic day and they will have afternoon tea too!

To help fund the event, we are therefore asking for a small contribution of £1 per child to help towards the cost of the food and equipment. Children will also be asked to wear red, white and blue clothes on the Friday where possible, although this is optional.

Please help us make this day memorable.

Children will also be learning about the 70 years of Queen Elizabeth II's reign on Thursday 26th May meaning that they will have some context to the reason behind the party. We hope you agree that this is a once in a lifetime opportunity to celebrate an incredibly rare event.

Kind regards

Allison Collis
